

LEGISLATURE OF NEBRASKA
NINETY-SIXTH LEGISLATURE
SECOND SESSION

LEGISLATIVE BILL 934

Introduced by Schimek, 27

Read first time January 5, 2000

Committee: Government, Military and Veterans Affairs

A BILL

1 FOR AN ACT relating to the Department of Administrative Services;
2 to amend sections 81-154.01, 81-1108, 81-1108.41,
3 81-1114.02, 81-1120.35 to 81-1120.38, 81-1120.40,
4 81-2304, 81-2307, 81-2308.01, 84-1602, 84-1603, 84-1605,
5 84-1606, 84-1613, and 84-1616, Reissue Revised Statutes
6 of Nebraska; to change provisions relating to purchasing,
7 departmental organization, capital construction, and
8 powers and duties; to create a fund; to eliminate
9 obsolete provisions and a fund; to harmonize provisions;
10 to provide an operative date; to repeal the original
11 sections; to outright repeal sections 81-1120.32 to
12 81-1120.34, 81-1120.39, and 81-1354.02, Reissue Revised
13 Statutes of Nebraska; and to declare an emergency.
14 Be it enacted by the people of the State of Nebraska,

1 Section 1. Section 81-154.01, Reissue Revised Statutes
2 of Nebraska, is amended to read:

3 81-154.01. The materiel division shall ~~provide~~ make
4 available copies of current purchase agreements and standard
5 specifications to the University of Nebraska. The University of
6 Nebraska may utilize such purchase agreements if it determines that
7 it would be to its advantage to do so. The materiel division may
8 utilize purchase agreements entered into by the University of
9 Nebraska upon a finding by the materiel administrator that the use
10 of such agreements would be in the best interests of the state.
11 For purposes of this section, purchase agreements do not include
12 contracts for personal services subject to sections 73-301 to
13 73-307.

14 Sec. 2. Section 81-1108, Reissue Revised Statutes of
15 Nebraska, is amended to read:

16 81-1108. The Department of Administrative Services shall
17 fulfill the functions in the administration of state government of
18 fiscal control, of centralizing services, of personnel services,
19 and of risk management. There shall be separate divisions within
20 the department to assist in fulfilling these functions. The
21 divisions shall be the accounting division and the budget division
22 in the area of fiscal control, the information management services
23 division, materiel division, state building division, and division
24 of communications, ~~general services division, and intergovernmental~~
25 ~~data services division~~ in the area of centralized services, the
26 personnel division and the Division of Employee Relations in the
27 area of personnel services, and the risk management and state
28 claims division in the area of risk management. The Director of

1 Administrative Services shall appoint a separate administrator as
2 head of each division other than the Division of Employee
3 Relations. The director shall have the responsibility and
4 authority for directing and coordinating the programs and
5 activities of the several divisions and shall be empowered to
6 remove the administrators of any of the several divisions other
7 than the Chief Negotiator at his or her discretion. The director
8 shall have the power to delegate authority for administration of
9 sections 81-1101 to 81-1189 and 81-1301 to 81-1392 and the Risk
10 Management Program to any of the division heads as he or she may
11 deem appropriate except as otherwise provided by law.

12 Sec. 3. Section 81-1108.41, Reissue Revised Statutes of
13 Nebraska, is amended to read:

14 81-1108.41. The division shall cause a state
15 comprehensive capital facilities plan to be developed. The plan
16 shall project the state's facilities needs for ~~periods of four~~
17 ~~years and eight~~ a period of six years and shall be based on
18 programmatic projections and input from each state agency. To aid
19 in the development of the plan, the Governor shall appoint a State
20 Comprehensive Capital Facilities Planning Committee with
21 representatives from various state agencies. The committee shall
22 develop and adopt comprehensive planning guidelines and a process
23 of project prioritization. The state comprehensive capital
24 facilities plan shall be submitted to the Committee on Building
25 Maintenance for review before such plan shall be submitted to the
26 Governor and the Legislative Fiscal Analyst on or before ~~September~~
27 November 15 prior to the beginning of each biennium. The plan
28 shall be based on priorities developed by the State Comprehensive

1 Capital Facilities Planning Committee. The University of Nebraska
2 and any Nebraska state college shall not be required to comply
3 with or be subject to the provisions of this section since these
4 agencies are subject to and participate in statewide facilities
5 planning developed by the Coordinating Commission for Postsecondary
6 Education pursuant to the Coordinating Commission for Postsecondary
7 Education Act.

8 An appropriation for drawings and construction may be
9 made only after submission of an acceptable program statement on or
10 before September 15 of the year previous to the initiation of such
11 appropriation. Such program statement shall include, but not be
12 limited to, (1) an assessment of the compatibility of the project
13 with the state comprehensive capital facilities plan and the agency
14 or departmental comprehensive capital facilities plan, (2) the
15 identification of the impact of the project on the space
16 utilization of other facilities under the control of the agency or
17 department, and (3) the identification of the future impact on the
18 agency or departmental programmatic needs, demand for utilities in
19 excess of current capacity, parking needs, street and road needs,
20 and site acquisition needs. Such program statement shall be
21 submitted to the division and the Legislative Fiscal Analyst.

22 No contract for the planning, design, or construction of
23 a new facility or major modification or repair of an existing
24 facility provided for by any state appropriation may be initiated
25 unless an acceptable program statement has been approved by the
26 Governor, the agency or department has submitted to the division a
27 certificate from the Committee on Building Maintenance that there
28 is no state-owned property which is adequate or which through

1 cost-effective renovation, as determined by the division, could be
2 made adequate to meet the agency's or department's needs, and the
3 conditions of the contracts are approved in writing by the
4 division, except that the provisions of this section shall not
5 apply to projects when the total design and construction cost of
6 the project is less than the limit established by the division.
7 Such program statements and contracts shall be reviewed by the
8 division.

9 The division shall file a written report on each program
10 statement and contract reviewed with the Governor and the
11 Legislative Fiscal Analyst. This report shall cover the
12 consistency of the project with the state comprehensive capital
13 facilities plan and the agency or departmental comprehensive
14 capital facilities plan. A subsequent review and report upon
15 completion of the planning or design phase of the project shall
16 indicate the compatibility of the project with the agency or
17 departmental comprehensive capital facilities plan, compare the
18 probable cost of the project with accepted cost standards for
19 similar construction projects, and review the relationship of the
20 project to other state agency or departmental capital facilities in
21 the same complex.

22 Sec. 4. Section 81-1114.02, Reissue Revised Statutes of
23 Nebraska, is amended to read:

24 81-1114.02. Any state agency after having completed
25 capital construction project preliminary plans shall submit such
26 plans to the state building division for review. The state
27 building division shall review and comment on the plans and also
28 submit such plans to the budget division, the Legislative Fiscal

1 Analyst, and the affected agencies for review and comment.
2 Comments shall include identification of possible cost and design
3 alternatives and a determination whether the preliminary plans
4 conform to approved program statements. The state building
5 division shall, by rules and regulations, establish the elements to
6 be included in the preliminary plans. Comments and reviews of
7 preliminary plans shall be completed within thirty days after such
8 plans are submitted to the state building division. ~~Upon receipt~~
9 ~~of such comments, the building division shall make recommendations~~
10 ~~to the Governor for either approval or disapproval of the plans.~~
11 No project working drawings shall be developed prior to receipt of
12 the review and comment made pursuant to this section or thirty days
13 after submission of the plans. No funds shall be expended for
14 project working drawings or actual construction until the
15 preliminary plans have been approved by the ~~Governor~~ state building
16 division. A copy of the ~~Governor's~~ approval or disapproval shall
17 be forwarded to the requesting agency and the Legislative Fiscal
18 Analyst.

19 Sec. 5. Section 81-1120.35, Reissue Revised Statutes of
20 Nebraska, is amended to read:

21 81-1120.35. There is hereby created the
22 intergovernmental data services ~~division~~ program which shall be a
23 located within the information management services division of the
24 Department of Administrative Services.

25 Sec. 6. Section 81-1120.36, Reissue Revised Statutes of
26 Nebraska, is amended to read:

27 81-1120.36. For purposes of sections 81-1120.35 to
28 ~~81-1120.39~~ 81-1120.40:

1 (1) Administrator shall mean the administrator of the
2 intergovernmental data services ~~division of the Department of~~
3 ~~Administrative Services~~ program;

4 (2) Application shall mean a computer program that
5 provides a specific service to the user. The term shall include
6 the applications specified in Laws 1989, LB 814, section 54, and
7 all applications of statewide or intergovernmental benefit subject
8 to the review set forth in subdivision (2) of section 81-1120.38;

9 (3) Department shall mean the Department of
10 Administrative Services;

11 (4) Director shall mean the Director of Administrative
12 Services;

13 (5) Division shall mean the ~~intergovernmental data~~
14 information management services division of the Department of
15 Administrative Services;

16 (6) Intergovernmental data services system shall mean the
17 installation and use of applications on a computer network that
18 allows for the intergovernmental transfer of data, automation of
19 multijurisdictional functions, and integration of governmental
20 entities that involve multiple locations separated by long
21 distances. The term shall include computers that serve as
22 platforms for statewide applications, cabling, other equipment
23 essential to operating the computers, and operating programs that
24 allow the computers to function. The term shall not include any
25 applications;

26 (7) Local application shall mean a computer program
27 intended for use at the local government or state agency level, not
28 of intergovernmental use, serving only limited local needs, and

1 proposed to be resident on only a limited part of the system;

2 (8) Peripheral device shall mean equipment that connects
3 to the system to allow local use and access to applications on the
4 system. Peripheral devices shall include, but not be limited to,
5 microprocessors, word processors, desktop computers, terminals, and
6 printers; and

7 (9) System shall mean the intergovernmental data services
8 system.

9 Sec. 7. Section 81-1120.37, Reissue Revised Statutes of
10 Nebraska, is amended to read:

11 81-1120.37. The purpose of the system is to allow for
12 the efficient operation of state government and its political
13 subdivisions. In managing and allocating resources on the system,
14 the ~~division~~ administrator shall assign first priority to providing
15 capacity for statewide applications that are essential to carrying
16 out the duties of state agencies in an efficient and effective
17 manner. The system may also serve local data processing needs of
18 political subdivisions, provide citizens with a point of access to
19 governmental services and information, and serve other state and
20 local needs, subject to available resources.

21 Sec. 8. Section 81-1120.38, Reissue Revised Statutes of
22 Nebraska, is amended to read:

23 81-1120.38. In establishing and maintaining the system,
24 the division shall exercise the following duties and powers:

25 (1) The division shall ~~obtain~~ provide the computer
26 network and services for the system with assistance from the
27 division of communications ~~and the information management services~~
28 ~~division~~ of the Department of Administrative Services;

1 (2) The administrator shall approve and coordinate the
2 design, development, installation, training, and maintenance of
3 applications by state agencies for use on the system. Any agency
4 proposing to add an application to the system shall submit an
5 evaluation to the administrator that (a) examines the
6 cost-effectiveness, technical feasibility, and potential use of the
7 proposed application, (b) identifies the total costs of the
8 application, including design, development, testing, installation,
9 operation, and any changes to the computer network that are
10 necessary for its operation, and (c) provides a schedule that shows
11 the estimated completion dates for design, development, testing,
12 installation, training, and full operational status. The
13 administrator shall not approve an application by a state agency
14 for use on the system unless his or her review shows that the
15 application is cost-effective and technically feasible, that
16 funding is available, and that the proposed schedule is reasonable
17 and feasible;

18 (3) The administrator shall approve changes in the design
19 of applications by state agencies for use on the system. The
20 administrator may require such information from the agency as
21 necessary to determine that the proposed change in design is
22 cost-effective and technically feasible, that funding is available,
23 and that the proposed schedule for implementation is reasonable and
24 feasible;

25 (4) The administrator, with the approval of the director,
26 may contract with other governmental entities or private vendors in
27 carrying out the duties ~~of the division~~ relating to the
28 intergovernmental data services program;

1 (5) The administrator, in cooperation with the division
2 of communications ~~and the information management services division~~
3 of the Department of Administrative Services, shall establish a
4 rate schedule that reflects the rates adopted by the division of
5 communications and the information management services division,
6 plus any additional costs of the ~~intergovernmental data services~~
7 ~~division for the system~~. Such fees may reflect a base cost for
8 access to the system, costs for actual usage of the system, costs
9 for special equipment or services, or a combination of these
10 factors. The administrator may charge for the costs of changes to
11 the system that are requested by or are necessary to accommodate a
12 request by a user. All fees shall be set to recover all costs of
13 operation;

14 (6) The administrator shall submit as part of the
15 biennial budget request of the department a listing of all
16 applications submitted for consideration, cost estimates for
17 development, testing, and full operation of each application, a
18 recommended priority listing of the applications for which an
19 evaluation is completed, and funding recommendations by application
20 contained within the budget request for the division. All
21 application estimates and requests shall be scheduled over ensuing
22 fiscal years such that annual projected costs and completion of
23 application phases to the point of fully operational status can be
24 clearly determined. Local applications shall not be subject to the
25 provisions of this subdivision;

26 (7) Ownership of the system, applications, and peripheral
27 devices purchased or developed by the expenditure of state funds
28 shall be vested with the state, and the responsibility for its

1 proper operation shall be vested with the director and
2 administrator;

3 (8) The administrator, with the approval of the director,
4 may enter into agreements with other state and local governments,
5 the federal government, or private-sector entities for the purpose
6 of sale, lease, or licensing for third-party resale of applications
7 and system design. Proceeds from such agreements shall be
8 deposited to the Data Systems Cash Fund, which fund is hereby
9 created. Any money in the fund available for investment shall be
10 invested by the state investment officer pursuant to the Nebraska
11 Capital Expansion Act and the Nebraska State Funds Investment Act.
12 The fund may be expended for application-related purposes for which
13 the Legislature makes a specific appropriation. The fund may be
14 used to subsidize the cost of operating existing applications, for
15 lowering rates charged to participating state agencies and
16 counties, or for the purpose of new application development;

17 (9) The budget division of the Department of
18 Administrative Services shall administratively create such cash and
19 revolving funds as may be required to properly account for the
20 receipt of charges for use of applications and the payment of
21 expenses for operation of the system. It is the intent of the
22 Legislature that operations of the system shall be fully financed
23 by user charges with the exception of development costs for new
24 applications and initial costs of operation as applications
25 progress to full operating status and are unable to generate
26 sufficient fee revenue to finance operating costs;

27 (10) No local application shall be resident or
28 operational in any component of the system without explicit

1 authorization of the administrator;

2 (11) All development costs for approved new applications
3 shall be budgeted and appropriated to the division or to
4 participating state agencies at the discretion of the Legislature.
5 Agencies may independently request appropriations for such
6 application development, however such requests shall be subject to
7 the review and prioritization set forth in subdivision (2) of this
8 section, and at such time as the application becomes an authorized
9 application and funded by the Legislature, the cost of such
10 development shall be appropriated to the division or to
11 participating state agencies. To the extent possible, if agency
12 cash or revolving funds or federal funds may be used for
13 application development, such funds may be transferred to the
14 division and expended for application development in order to
15 properly account for all costs associated with application
16 development;

17 (12) The administrator shall approve or disapprove the
18 attachment of any peripheral device to the system and may prescribe
19 standards and specifications that such devices must meet;

20 (13) The administrator shall adopt and promulgate such
21 rules, regulations, guidelines, and procedures to carry out this
22 section;

23 (14) All communications and telecommunications services
24 for the ~~division~~ program and the system shall be secured from the
25 division of communications of the Department of Administrative
26 Services;

27 (15) The division, within available resources, shall
28 assist the Intergovernmental Data Communications Advisory Council,

1 the Geographic Information System Steering Committee, and other
2 local, state, and federal collaborative efforts to encourage
3 coordination of information systems and data sharing;

4 (16) The division may undertake and coordinate planning
5 studies to determine the feasibility, benefits, costs,
6 requirements, and options for the intergovernmental transfer of
7 data;

8 (17) The administrator shall provide assistance as
9 requested by the Nebraska Information Technology Commission to
10 support the technical panel created in section 86-1511; and

11 (18) Activities and responsibilities of the
12 ~~intergovernmental data services~~ division shall be coordinated with
13 the functions of the ~~information management services and~~
14 ~~communications divisions~~ division of the department. Overlap and
15 duplication of technical services ~~among~~ between the divisions in
16 supporting the system, its applications, and application
17 development shall be minimized.

18 Sec. 9. Section 81-1120.40, Reissue Revised Statutes of
19 Nebraska, is amended to read:

20 81-1120.40. There is hereby created the
21 Intergovernmental Data Services Program Revolving Fund. The fund
22 shall be administered by the ~~intergovernmental data services~~
23 ~~division of the Department of Administrative Services~~ division.
24 The fund shall consist of fees paid for services provided to state
25 agencies, political subdivisions, or other governmental or private
26 entities by the division and shall be used to pay for expenses
27 incurred by the division.

28 Any money in the fund available for investment shall be

1 invested by the state investment officer pursuant to the Nebraska
2 Capital Expansion Act and the Nebraska State Funds Investment Act.

3 Sec. 10. The Personnel Division Revolving Fund is
4 created. The fund shall be administered by the personnel division
5 of the Department of Administrative Services. All funds received
6 by the personnel division for employee recognition programs and
7 advertising shall be credited to the fund. Any money in the fund
8 available for investment shall be invested by the state investment
9 officer pursuant to the Nebraska Capital Expansion Act and the
10 Nebraska State Funds Investment Act. Any money in the Employee
11 Recognition Revolving Fund on the effective date of this act shall
12 be transferred to the Personnel Division Revolving Fund.

13 Sec. 11. Section 81-2304, Reissue Revised Statutes of
14 Nebraska, is amended to read:

15 81-2304. There is hereby created the Intergovernmental
16 Data Communications Advisory Council. The council shall consist of
17 thirteen members as follows:

18 (1) One person shall be a ~~representative of the~~
19 ~~intergovernmental data services division of the Department of~~
20 ~~Administrative Services~~ the administrator, who shall serve as the
21 chairperson of the council;

22 (2) One person shall be a representative of the
23 information management services division of the Department of
24 Administrative Services;

25 (3) One person shall be a representative of the division
26 of communications of the Department of Administrative Services;

27 (4) One person shall be appointed by the Governor as a
28 representative of state government;

1 (5) One person shall be appointed by the Executive Board
2 of the Legislative Council as a representative of the Legislature;

3 (6) One person shall be appointed by the Chief Justice of
4 the Supreme Court as a representative of the court system;

5 (7) Two elected county officials shall be appointed by
6 the Governor as representatives of county government;

7 (8) Two elected city or village officials shall be
8 appointed by the Governor as representatives of municipal
9 government;

10 (9) One person shall be appointed by the Governor as a
11 representative of the local data processing division of a political
12 subdivision;

13 (10) One person shall be a representative of the Nebraska
14 Natural Resources Commission data bank; and

15 (11) One person shall be a representative of the records
16 management division of the Secretary of State's office.

17 Sec. 12. Section 81-2307, Reissue Revised Statutes of
18 Nebraska, is amended to read:

19 81-2307. The purpose of the council shall be to (1)
20 assure the efficient collection, use, and exchange of information
21 between state agencies and between state agencies and governmental
22 subdivisions, (2) study and make recommendations concerning the
23 data processing and communications needs of the state and its
24 political subdivisions, (3) make recommendations of program design
25 which would enhance data transfer between state agencies and
26 between the state and its political subdivisions, (4) coordinate
27 the implementation of data processing applications involving
28 multijurisdictional data processing projects, and (5) serve in an

1 advisory capacity to the intergovernmental data services program of
2 the information management services division of the Department of
3 Administrative Services.

4 Sec. 13. Section 81-2308.01, Reissue Revised Statutes of
5 Nebraska, is amended to read:

6 81-2308.01. The council shall coordinate and integrate
7 its responsibilities and role with the responsibilities of the
8 intergovernmental data services program of the information
9 management services division of the Department of Administrative
10 Services.

11 Sec. 14. Section 84-1602, Reissue Revised Statutes of
12 Nebraska, is amended to read:

13 84-1602. Sections 84-1601 to 84-1615 shall be
14 administered by the ~~risk management and state claims~~ personnel
15 division of the Department of Administrative Services. The ~~Risk~~
16 ~~Manager~~ Director of Personnel may employ such administrative,
17 clerical, secretarial, and technical assistants and consultants as
18 are required for the administration of such sections.

19 Sec. 15. Section 84-1603, Reissue Revised Statutes of
20 Nebraska, is amended to read:

21 84-1603. The ~~risk management and state claims~~ personnel
22 division of the Department of Administrative Services shall select,
23 with the assistance of the ~~Director of Personnel~~ Risk Manager and
24 the Chief Negotiator, one or more carriers or combinations of
25 carriers licensed to do insurance business in Nebraska to serve as
26 administrator of the insurance contract or contracts. Such
27 selection shall be made after open competitive bidding in which any
28 carrier authorized to provide the type or types of insurance

1 coverage involved shall be eligible to participate. The personnel
2 division may develop bid specifications which provide for various
3 forms of plan design and funding methods, including plans of
4 self-insurance or any combination of such methods. The ~~risk~~
5 ~~management and state claims~~ personnel division may utilize such
6 expert technical assistance provided by the ~~Director of Personnel~~
7 Risk Manager, the Chief Negotiator, and other state agencies or
8 outside consultants as may be required to establish and evaluate
9 criteria for selection of carriers. The insurance contract or
10 contracts may be subject to rebidding at any time after the
11 inception of this program at the discretion of the ~~risk management~~
12 ~~and state claims~~ personnel division.

13 Sec. 16. Section 84-1605, Reissue Revised Statutes of
14 Nebraska, is amended to read:

15 84-1605. Out of appropriations made for that purpose,
16 the ~~risk management and state claims~~ personnel division of the
17 Department of Administrative Services shall (1) first enter into a
18 contract providing, entirely at state expense, ten thousand dollars
19 of basic life insurance protection and (2) enter into a contract to
20 purchase a contract of group health insurance to be financed by the
21 state to the extent that appropriations made for that purpose are
22 available and, if necessary, by contributions from each employee.
23 Each such contract shall provide insurance coverage for each
24 employee specified in section 84-1601. Participation in the
25 program of group health and life insurance shall be optional with
26 the employee.

27 Sec. 17. Section 84-1606, Reissue Revised Statutes of
28 Nebraska, is amended to read:

1 84-1606. The ~~risk management and state claims~~ personnel
2 division of the Department of Administrative Services may elect to
3 offer a group health insurance option to employees subject to
4 sections 84-1601 to 84-1615. Such benefits shall be offered at the
5 rates listed in section 84-1611, and additional contributions
6 necessary to cover the costs of such benefits may be required from
7 employees.

8 Sec. 18. Section 84-1613, Reissue Revised Statutes of
9 Nebraska, is amended to read:

10 84-1613. The State Employees Insurance Fund is
11 established. The fund shall be administered by the ~~risk management~~
12 ~~and state claims~~ personnel division of the Department of
13 Administrative Services. All funds appropriated to pay the state's
14 share of the cost of the coverages provided by sections 84-1601 to
15 84-1615 and all payroll deductions made under sections 84-1601 to
16 84-1615 shall be credited to the fund. The division shall make
17 premium payments to the carrier, carriers, or combinations of
18 carriers selected under section 84-1603 from this fund.

19 Any funds in the State Employees Insurance Fund available
20 for investment shall be invested by the state investment officer
21 pursuant to the Nebraska Capital Expansion Act and the Nebraska
22 State Funds Investment Act.

23 Sec. 19. Section 84-1616, Reissue Revised Statutes of
24 Nebraska, is amended to read:

25 84-1616. The Health and Life Benefit Administration Cash
26 Fund is created. The fund shall consist of payments made by
27 individuals eligible for program benefits, transfers from the State
28 Employees Insurance Fund for administrative and operation expenses

1 as authorized by the Legislature, and interest earnings as
2 authorized by the Legislature. The fund shall be used by the ~~risk~~
3 ~~management and state claims personnel~~ division of the Department of
4 Administrative Services to administer the provisions of the federal
5 Public Health Service Act and for the administration of the section
6 125 plan. Any money in the fund available for investment shall be
7 invested by the state investment officer pursuant to the Nebraska
8 Capital Expansion Act and the Nebraska State Funds Investment Act.
9 ~~Any money in the Personnel Division Cash Fund on June 12, 1997,~~
10 ~~shall be transferred to the Health and Life Benefit Administration~~
11 ~~Cash Fund.~~
